ARMED MEMORANDUM NO. 46.

26th July, 1919.

2nd Lieut. G. Allison,

East Canterbury,

RE - POSTING OF N.Z.E.F. OFFICERS TO THE TERRITORIAL FORCE.

Pending reorganization, officers of the N.Z.E.F. other than officers of the N.Z.S.C., R.N.Z.A., N.Z.P.S., N.Z.M.C., N.Z.D.C. and Chaplains, who have returned from active service, and who have gained higher rank in the N.Z.E.F. than they hold in the Territorial Force are placed on a temporary reserve list with their N.Z.E.F. rank; and officers of the N.Z.E.F. who did not previously belong to the Territorial Force are placed on the Unattached List (General List) also in their N.Z.E.F. rank.

It is the intention of the G.O.C. that as far as is practicable, and in the interest of the service, officers who continue their service in the Territorial Force shall be absorbed into Territorial Units with the rank which active service has fitted them to hold.

In order that the wishes of officers can be ascertained as to how and with what unit they desire to continue their service, and in order that District and Group Commanders can know what returned officers are in their Command Areas, a copy of the attached form B.121 is being forwarded by this office to every officer of the N.Z.E.F., and he is being requested to fill it in in triplicate and return it to the Group Commander of the Group in which he is permanently residing. One copy will be retained by the Group Commander; one copy by District Headquarters, and the third copy forwarded by District Headquarters to the A.M.S., G.H.Q.

This question of the absorption of supernumerary officer into the Territorial Force will be the subject of further communication.
